

**Whatever you do: Don't build your house on the Sandy Land!!!**

- It matters what you build your life on.

**Don't build your life like the world does!!!**

- The Corinthians were not acting their age
- The Corinthians were not being themselves
- The Corinthians were acting like mere men

**We all have to make the Baptism choice:**

- Who will we follow?
  - Who do we follow?
  - It matters who we follow: for us and for those who watch us.

**God has made us who we are**

- Someone planted and someone watered but God is the one who has made us grow.
- We like Paul represent God in what we do and what we say.

**God is building us, he has taken us from where we were to where we are now.**

**God is dwelling within us**

**God is building our church.**

**It is still difficult to tell people about Jesus but there are good reasons to do it.**

- **We're people who are not people who do**
- **The gospel might seem impressive to others but we know it is powerful, because it had the power to save us.**
- **God may use our conversation to save someone or he might use it as a part of a long process in saving the person you are talking to.**
